

## MEASURING GUIDE

Place your heel where indicated. Using a pencil, place a mark at the end of your heel and the tip of your longest toe. If your measurements are between two sizes, or you find one foot's measurement is larger than the other, always move up to the larger size.

Remember to leave shoes off when using this cart to determine your correct size.

TIP: For shoe sizing accuracy, FeragGIO recommends printing this document on A4 paper at 100% (full size). Please, check with the following method:

### ACCURACY CHECK:

To ensure correct printing size, place a credit card here. If it fits, the chart was printed correctly.
